

## **1. Complimentary Time Extension**

In terms of keeping Latin Motion viable, this is our preferred option.

For any Latin Motion student that is happy & financially in a position to continue paying for their membership during the duration that the school is closed, Latin Motion will happily extend that persons membership for the duration that the school is closed & grant them with a complimentary time extension at the end of their membership period for the duration that the school closed. Eg, if the school closes for 3 weeks only, a 3 week time extension will be added to the end of their membership at no charge ensuring that the student gets the full time duration of their membership they signed up for.

## **2. Membership Suspension**

For the duration that the school remains closed, Latin Motion is happy to suspend anyone's membership who wishes for their membership to be suspended. The membership will then be renewed once the school re opens & their membership payment duration lengthened for the duration that the membership was suspended.

## **3. Learn Online via Oliverpineda.dance**

Latin Motion is home to one of the largest & most prestigious online learning platforms in the world run by 10 x World Salsa Champion Oliver Pineda; [www.oliverpineda.dance](http://www.oliverpineda.dance) (OP Dance). Latin Motion is happy to lower any students subscription to \$29 p/month (the price of a one month subscription to OP Dance) for the duration that LM remains closed. This means that for the duration that classes cease, students will have access to over 500 videos online in topics such as Salsa, Mambo, Shines, Partner Work, Body Movement, Musicality, Pachanga, Boogaloo, Zouk & more allowing students the ability to not only practise from home, but also continue advancing their dance skills. The membership will then revert to its standard rate when the school re opens.

## **4. Participate in LM Online classes**

While Latin Motion classes are postponed, we will be holding 6 online classes per week through ZOOM. These weekly classes are complimentary to all our current students and priced at \$20 per class for any students who wish to participate casually.

Please note, Latin Motion wishes to remain as one of the major schools in Sydney & therefore greatly appreciates the support of our beloved students over this difficult time where possible. For anyone that is experiencing financial hardship over this time, Latin Motion will adhere to any refund requests however we would like to please ask that everyone carefully looks at all the options above first.
